## Your Tour Leader

The tour is being run by **Leighton Pearce** of Growing Solutions, in conjunction with **SANTFA (South Australian No-Till Farmers Association)**.

Leighton was born and raised in South Australia and has 25 years' experience in the agriculture and Natural Resource Management sectors. Working with SANTFA, he has coordinated and attended two USA study tours

(2015 & 2016) which have highlighted the commonalities between farming in the two countries, and the lessons which can be learned through visiting farming regions in other countries.

SANTFA is a non-profit organization which has been delivering information to farmers in regards to innovative farming practices for seventeen years, and has a strong focus on farmers learning from farmers.

## Meet Australian farmers demonstrating innovative practice in...

- Precision agriculture
- Controlled Traffic Farming
- Advanced seeding systems
- Liquid nutrition
- Collaborative farming
- Livestock enterprises
- Dryland and irrigated broadacre agriculture
